AUBURN CADET BAND

A. P. I. CADET BAND OFF ON TRIP

This cut shows (although photo arrangement is not good) the 1912-13 Auburn Band which is enjoying a most successful season, and is making an excellent record. They have made two long trips already, and a third carries them to Mobile, for the second time this session, this time to fill a professional engagement with the Carnival Association and to furnish music for Mardi Gras Feb. 2, 3, and 4. They must be rated up with professionals to secure the important engagements that they get, and they "hold their own" because the Auburn Band has had a professional engagement every year since the present management undertook to "put them there" in the year 1906.

Announcement of public concerts was made in our last issue. When the weather moderates, we shall have the pleasure of enjoying an hour of good music every afternoon. Some students may not know how highly this is valued, as they hear the music free, and are not taxed in any way for its support, but, only the larger cities have "summer concerts," and they have to pay thousands of dollars for them; but, in music, as in everything else, Auburn gives her students "THE BEST." The band will be in excellent practice for the Home Coming Commencement, and will enliven things muchly during that great event.

The following students compose this year's band:

P. R. Bidez, (Chief Musician), solo clarinet; S. E. Stein, (Principal Musician), euphonium; T. H. Frost, (Lieutenant), solo cornet; H. M. Martin, (Sergeant), piccolo; J. J. Haralson, (Sergeant), Eb clarinet; W. E. Hall, (Corporal), first cornet; B. P. Blasingame, first clarinet; C. D. Moon, solo cornet; F. H. Haynie, first cornet; F. Aubrey, second cornet; A. J. Bethea, tenor saxophone; F. E. Dunlap, trombone; R. D. Kershaw, tuba; D. A. Gam-mage, first alto; M. M. Davis, second alto; A. E. Booth, third alto; B. Hudson, bass drum; J. M. Davis, Sergeant and Drum Major. Honorary members: C. P. Wright, alto saxophone; J. B. Steadham, snare drum.

Heard in Math. Room.

"Flip" Spence—"Say, Possum, what's the product of two logs?" "Possum"—"I don't know. What is it?" "Flip"—"Lumber!"

Members of the Orange and Blue staff will make a thorough canvass of the town next week. Please have that dollar for your subscription ready.

HOP COMMITTEE ORGANIZED.

The Hop Committee consists of one representative from each of the four classes in college and one representative from each of the nine fraternities represented here. All of the members having been elected, the Committee met Monday morning after chapel and perfected its organization.

The following officers were elected: H. T. Spence, Pres.; E. E. Frye, Vice Pres.; J. A. Key, Sec.; J. M. Hamilton, Treas.; H. L. Moore, floor manager; P. M. Davenport, Asst. floor manager, and Joel Hurt, leader.

The members of the Committee are: H. T. Spence, E. E. Frye, J. A. Key, J. M. Hamilton, H. L. Moore, P. M. Davenport, F. A. Hart, J. K. Newell, B. L. Thibaut, A. H. Bennett, Harry Allen and J. T. Brazelton.

The Committee has charge of all arrangements for the final Commencement Hop, the biggest dance of the year. And as this commencement is to be the great Home Coming Commencement the final hop will without a doubt be the biggest thing of its kind in the history of the Institution.

VETERINARY NOTES.

The Veterinary Medical Association held a most successful meeting last Tuesday night. The programme for the evening was as follows:

"Diseases of the Eye"—G. M. Parish.

"Peritonitis"—Ogletree.

"Canine Distemper"—J. S. Powell.

The papers read were well prepared and were enjoyed greatly by all present. The Association is in a flourishing condition and its meetings are both enjoyable and instructive. All Veterinary men are urged to join and reap the benefits of mutual discussion of professional topics.

The Annual Banquet of the Veterinary Association promises to be one of the most enjoyable affairs of the college year. It will be held in Smith Dining Hall on the evening of February the fourteenth.

CORN RECORD OF SCHOOL STUDENT.

Columbiana, Jan. 28.—Leonidas Eastis, son of W. C. Eastis, and a student of the Shelby county high school, breaks the corn record in Shelby county, having made 125 5-7 bushels of corn on one acre last year. He left Sunday for a two weeks' complimentary trip to Washington and various points in North Carolina.

Eastis is 17 years of age and a bright and promising young man.

AUBURN DEFEATED BY HUSKY FIVE OF CUM- BERLAND UNIVERSITY.

Auburn, Ala., Jan. 23.—On the local gymnasium floor tonight the Auburn basketball team was defeated by the husky five representing the Cumberland University, by the score of 35 to 19.

The game was hard fought, fast, very rough at times, and interesting throughout. In the first half Auburn played a very good game, and kept the Cumberlandans on their toes the entire period, and it was only with a rush at the close of the half that the visitors were enabled to have the better end of the score on their side of the slate. At the opening of the second half the Cumberland squad started with a rush and seemed to have things their way almost the entire period, holding Auburn to only two field goals, and in addition scoring quite a number themselves. The visitors were in the very best condition, their pass work was very good, and their defensive work was excellent. The Auburn team played a very good game, but at times they weakened and allowed the visitors to take the lead, and although pushing Cumberland hard at times, they were never able to get the better end of the score.

Clements, at forward, played a very good game, featuring in his foul shooting, finding the basket five times out of seven attempts. Scarbrough, at guard, played high class ball, particularly on the defensive. Worrill, at guard, also played a very good defensive game. Sparkman and Beutell were substituted in the latter part of the game and both played very good games. For the visitors the work of Lowrey, at center, was the best, his work on the offense was above par, and his defensive work was very good. Garner at forward played high class ball and made a number of spectacular shots from the field. Williams and Fowler, at guards, put up very good defensive games from these positions.

The game was witnessed by a very enthusiastic crowd and the interest was keen throughout.

The teams lined up as follows:

Auburn	Position	Points
Major	Center	2
Clements	Forward	13
Noble	Forward	2
Scarbrough	Guard	0
Worrill	Guard	0

AUBURN SPIRIT IN CALIF.

Auburn, Jan. 28.—President Thach is in receipt of a communication from the Auburn alumni in Los Angeles, Cal., notifying him of the organization of the "Los Angeles Auburn Club."

Organization was recently effected at a meeting of the Alabamians at the Alexandria Hotel in Los Angeles, and the following officers were elected: W. M. Perdue, president; W. E. Childs, secretary and treasurer.

How about that dollar you owe for your Orange and Blue, isn't it about time you were paying up?

AUBURN FIVE DEFEATS SELMA Y. M. C. A.

Selma, Ala., Jan. 24.—Tonight on the local Y. M. C. A. gymnasium floor the Auburn basketball squad defeated the Selma Y. M. C. A. aggregation by the score of 29 to 15. The Auburn five had Selma completely under their finger the entire game, Lacy and Taylor, at guards, allowing only three goals to be shot from the field, the remainder of the score resulting from goals from fouls. The game, though lacking in speed at times owing to the close defensive work of Auburn, was nevertheless hard fought and interesting. Noble, at forward, played a great game for Auburn, scoring nineteen of the Tiger's points—it was a large night for Jack in locating the basket. Scarbrough, at forward, also played a very good game, his pass work was good. "Babe" Taylor, at guard, was seen in the line-up for the first time this season, and played an excellent defensive game; not allowing his man to register a point. Major, at center, put up a good offensive game and was also very effective on the defensive. For Selma, the work of Phillips, at center, was very good, his exhibition of foul goal shooting was excellent, scoring six of Selma's points in this manner. Cothau, at guard, also played a very good game.

The game was witnessed by several hundred fans.

After the game the Auburn team enjoyed a box party at the theatre.

The teams lined up as follows:

Auburn	Position	Points
Noble	Forward	19

ANIMAL HUSBANDMAN

Has Arrived to Take Charge of Department of Animal Industry.

Prof. Jesse M. Jones, of Montgomery, Ala., has been appointed Professor of Animal Industry in the Alabama Polytechnic Institute, resigning to enter practical farming where he had signal success. He is known throughout the state as one of the leaders in hog raising, corn and alfalfa production, and in general diversified farming. Professor Jones is a graduate of the High School system of Kansas and holds the degree of Bachelor of Science from the Kansas Agricultural College at which institution he also pursued post-graduate work.

For several years he was Instructor in Animal Industry in the Alabama Polytechnic Institute, resigning to enter practical farming where he had signal success. He is known throughout the state as one of the leaders in hog raising, corn and alfalfa production, and in general diversified farming. Professor Jones is a graduate of the High School system of Kansas and holds the degree of Bachelor of Science from the Kansas Agricultural College at which institution he also pursued post-graduate work.

The College is to be congratulated upon securing the services of Professor Jones, and we welcome him to Auburn.

AUBURN DEFEATS MARION.

Marion, Ala., Jan. 25.—On the out-door court of the Marion Institute here today the Auburn basketball squad defeated the local team by the score of 26 to 15. Owing to the slippery, muddy condition of the field, fast work was impossible, and it was with great difficulty that the men were able to move around at all without falling. Auburn completely outclassed the Institute and found little difficulty in carrying off the honors. For Auburn Major at center and Taylor, at guards played the best games, their all round work was very good. Noble and Scarbrough, at forwards, played a very good game. For Marion the work of the popular ex-athlete of Auburn, "Country Moore," was the best. "Country" was in the game at all times and putting up the class of work that is always expected of him.

The Auburn team was entertained at a reception at the Marion Seminary Saturday night.

The teams lined up as follows:

Auburn	Position	Points
Noble	Forward	6
Clements	Forward	2
Scarbrough	Forward	6

BARACA CLASS PARTY.

The Baraca Class of the Baptist Sunday School gave a delightful party at the Y. M. C. A. rooms last Friday evening.

Very many interesting games were played and a conversation contest was "pulled off." Mr. B. O. Driver won first prize in this contest. Afterwards delicious cream and cakes were served.

There were in all about twenty-five couples, and all report a very enjoyable evening.

This class is taught by Mrs. Clements and Mrs. Webb, and meets every Sunday in their own room at the First Baptist church. All are cordially invited and urged to attend. Come out and help us make our class not one of the best, but the best class in Sunday School.

SONGS OF THE SHIRT.

Half a shirt, half a shirt, half a shirt homeward,
Came from the wash, there were six to be laundered.
Holes in the right of them, buttons were left off them,
Pins stuck all over them, five or six hundred.

Theirs not to make reply,
Theirs but to go and buy:
Get in a new supply
Each time they're laundered.

—J.F.B.

If you are slighted next week during the canvass that will be made for dollars owed the Orange and Blue, please pay them to H. T. Spence.

AUBURN, ALA, FEBRUARY 1, 1913

There are about two hundred and fifty men who haven't yet paid for their subscription to the Orange and Blue. Well fellows we haven't exactly needed the money thus far, but it is our plan to "pay as we go" and as many of our advertisements aren't due yet we are going to ask you to kindly oblige the Business Manager by "coming across" with that dollar. It is near the first of the month, check time, and the very best time of the year for you to pay.

Our Business Manager has appointed some assistants, and a couple of them will call on you in the course of a day or two. We will appreciate it if you will make an effort to have the dollar waiting for them and also when you pay it, smile. You know it makes the money feel so much cleaner and more desirable when your good will goes with it. It makes us feel that you approve of us and of our efforts to put out a creditable sheet each week. Of course we know that there are "oodles" of faults in it, and that it could be made much better, but most folks like a little "taffey" now and then, and the editors are just ordinary folks. So they will appreciate the smile almost as much as the dollar. And, by the way, if you are sending the paper to some out of town friend, or for some other reason don't happen to be called upon it would be real honest and honorable of you to look up the Business Manager or one of the Editors and hand them the dollar.

The Orange and Blue would suggest that our Post-Graduates adopt a badge or other mark of identification to distinguish them from the "rats" who haven't yet procured uniforms. Especially should they do this when they go uptown o' nights. Else they are liable not only to get "stuck" by some of our conscientious Razor-backs, but they might possibly fall into the hands of a bunch of husky Sophomores and get severely hazed, before they succeeded in proving their identity.

But seriously in regard to a communication printed in another part of this paper, discipline is a mighty good thing and we believe in it. In fact we would suggest that the Seniors be a little more strict in enforcing the "fundamental" rules of the College than they have been heretofore. But the member of the class of '12 is emphatically right in the statement that authority can be abused as well as used. And we are of the opinion that it is an abuse of authority to stick men for loafing because they happen to be uptown after a basket ball game. So let us try to be a bit more lenient on special occasions and a little more strict at other times.

AUBURN PHARMACEUTICAL ASSOCIATION.

A very interesting meeting of the Auburn Pharmaceutical Association was held in the Pharmacy lecture room last Saturday evening. This association was regularly organized last session, its membership being limited to the pharmacy students of the College. The officers this session are: S. F. Anders, president; J. B. Richardson, vice-president; E. C. Pope, secretary; H. Lansberger, treasurer; and F. T. Manley, librarian. Dr. Thach had been invited to meet with the club and he made a short talk, congratulating the membership on the large attendance and evident interest in the work. He sketched briefly the history of the pharmacy department at Auburn, which is now in its 22nd year, and stated that there is great demand and fine opportunities for the pharmaceutical chemist in industrial development as well as in the practice of pharmacy.

The Pharmaceutical Club is doing good work and the members should derive much benefit from these meetings in which their technical problems are discussed. Eli Lilly and Co., of St. Louis, manufacturing chemists and makers of pharmaceuticals have just made a valuable donation to the pharmacognosy museum. The gift is, of course, for advertising purposes, but will nevertheless be of great benefit in the work of crude drug identification, consisting of a gross of the choicest selected samples. There is also a half gross of fluid extracts and soluble extracts, beside two dozen specimens of the pill maker's fanciest handiwork. This company evidently realizes that the men at "Old Auburn" today are those who will rule pharmaceutical circles, in Alabama and other states, tomorrow.

The Quarrel.—"You said, when you proposed, that you'd rather live in eternal torment with me than in bliss by yourself."
"Well, I've had my wish."

GERMAN CLUBS

ORGANIZE.

With the approach of February the 22nd comes the organizing of the German Clubs of the different classes. It is an old custom at Auburn for the class German Clubs to give dances on and around Washington's birthday, February the 22nd.

Therefore there have always been three class dances, one given by the Senior German Club, one by the Junior German Club, and one by the Sophomore and Freshmen Clubs, combined. But, this year, February the 22nd, falling on Saturday, allows but two nights to have dances so there will be only two class dances. The Senior and Junior German Clubs will give a dance together Friday night, February the 21st, and the Sophomore and Freshmen Clubs will give theirs Saturday night, February 22nd.

Although the dances will be few in number the German Club officers are planning to make them the best class dances ever given at Auburn.

Each German Club has about twenty-five members, an unusually high average, and with all these dances, there ought to be and it looks like there will be, a large number of girls here for the festivities.

Below are given the officers of all the German Clubs:

A COMMUNICATION.

The following communication is printed at the request of some of the Seniors:

That college spirit is a valuable asset to any institution is a fact that has long since been admitted throughout the length and breadth of the country. The college spirit at Auburn has long been a source of pride to all, both students and alumni, and that displayed at the basket ball game last Thursday evening, was as fine an exhibition of backing a losing team as has been our fortune to observe in many moons. But we cannot expect to have any repetition of such spirit if military men in the pride of recently acquired military honor take it upon their shoulders to report any and all students seen upon the streets after an athletic contest. Such a display of a mistaken idea of importance can not but disgust all disinterested spectators, and it is the sincere wish of a member of last year's Senior Class that the present graduating Class take some formal action as to this flagrant case of misuse of authority.
